On May 20, 1982, Rolling Fields, Inc., d/b/a Rolling Fields Sewage Treatment System, ("Rolling Fields"), by counsel, filed its Motion for Extension of Time requesting that the Commission grant an additional 60 days, through and including July 13, 1982, in which to comply with the Commission's Order entered March 2, 1982, directing that Rolling Fields provide certain information. The Motion further states that in view of the Commission's consideration of the request, Rolling Fields waives its statutory right to place the proposed rates in effect until 60 days following the final hearing in this action.

The Commission, having considered the Motion and being advised, is of the opinion and finds that by Orders entered

IT IS THEREFORE ORDERED That the Motion for Extension of Time be and it hereby is sustained to the extent that Rolling Fields shall submit the information heretofore requested by the close of business July 1, 1982.

IT IS FURTHER ORDERED That in the event the information is not filed by the close of business July 1, 1982, this case may be dismissed without prejudice.

Done at Frankfort, Kentucky, this 15th day of June 1982.
